Gender Sensitization Committee

India is home to around 232 million individuals aged 15- 24 years, who account for approximately 20% the country's population. It is important to constructively engage this human potential to help them critically assess notions of masculinity and question prevailing gender inequities. The "GENDER SENSITISATION COMMITTEE" of Sri Aurobindo College (e) invites applications from students who wish to challenge and shift gender norms and bring a shift towards gender equality, guaranteed by article 15 of the Indian constitution.

The selected students after screening will be the "GENDER CHAMPIONS" and will be envisaged as responsible leaders who will facilitate an enabling environment in the institution; advocating for gender equality and monitor progress towards gender justice through various programs.

If you feel this interests you and you possess the potential to be a gender champion, please fill the attached form and mail it to
