About the College

Sri Aurobindo College (Evening) is a constituent college of the University of Delhi. It was established in 1984 and opened to women students in 1988. Named after the nationalist reformer and philosopher Sri Aurobindo Ghosh, the college is established on the motto "Tamaso Ma Jyotirgamaya", meaning "Lead me from darkness to light." Since its inception, the college has evolved into a vibrant centre of higher learning.

Guided by Sri Aurobindo's vision, faculty members are committed to imparting holistic education aimed at the development of body, mind, and soul, grounded in traditional Indian values. Our teaching-learning ecosystem combines intellectual rigour with ethical and aesthetic sensibilities, fostering a community of self-aware learners driven by excellence and social responsibility.

Recognized among the top 150 higher education institutions by the National Institutional Ranking Framework (NIRF) of the Ministry of Education, the college has consistently maintained a commendable performance across parameters. With a current student strength of over 2,100, it offers undergraduate courses in Humanities, Social Sciences, and Commerce.

The campus, spread across three lush green acres in Block B, Shivalik Colony, Malviya Nagar, is just a short walk from the Malviya Nagar Metro Station and is well-connected by Delhi's public transport system. The vibrant student life is supported by active units of NSS and NCC, providing platforms for civic engagement and national service. Students regularly participate in a wide range of extracurricular and co-curricular activities, from cultural festivals to academic seminars and sports events, contributing to their all-round development.

In addition, the college provides essential facilities including a digitized library, a Career Guidance and Placement Cell, a Grievance Redressal Cell, and a clean and hygienic canteen that caters to diverse student needs.
Sri Aurobindo College (Evening) continues to nurture a dynamic academic environment that blends tradition with modernity, preparing students to contribute meaningfully to the community and the nation.

About Department of Commerce

The Department of Commerce at Sri Aurobindo College (Evening) is home to a diverse team of experts and academicians dedicated to keeping students informed about the latest advancements in Commerce and Management. Classroom learning is enriched with experiential methods and industry exposure, ensuring a holistic educational experience. The Department regularly hosts International Conferences, Seminars, and Workshops to enhance students' organizational and networking skills. Additionally, the faculty actively engages in research and plays a proactive role in curriculum development, ensuring it remains relevant and up to date. With a strong emphasis on practical learning, the department fosters critical thinking, innovation, and leadership qualities among students. It continuously strives to bridge the gap between academia and industry, preparing students to excel in a dynamic business environment.

About IQAC

According to the National Assessment and Accreditation Council (NAAC) guidelines, all accredited institutions must establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is an ongoing process, the IQAC at Sri Aurobindo College (Evening) is committed to achieving and maintaining high academic standards. Its primary role is to foster a structured, consistent, and proactive approach to improving the College's overall performance by overseeing and supporting academic, cocurricular, and extracurricular activities. The IQAC ensures this through a systematic feedback mechanism and continuously strives to achieve new objectives and milestones.

About the Conference

The Strategic Blueprint for Viksit Bharat 2047" aims to explore transformative pathways for realizing India's vision of becoming a developed nation by 2047, marking the centenary of its independence. This landmark event serves as a multidisciplinary platform bringing together policymakers, academicians, industry practitioners, and scholars to deliberate on the strategic challenges and opportunities that lie ahead in India's developmental journey over the next two decades. The conference is structured around four critical technical sessions that reflect the multifaceted dimensions of India's progress. The first session, India's Global Standing: Trade and Cultural Influence. The second session, Digital India: Catalysing Viksit Bharat through Technology. The third technical session, Shared Prosperity: Towards Inclusive Development. The fourth session, New India, Skilled India. Together, these sessions will chart a comprehensive strategic roadmap aligned with India's long-term vision, offering innovative ideas and actionable insights for achieving the aspirations of Viksit Bharat by 2047

Conference Themes.....

The conference aims to explore the transformative pathways towards India's envisioned future as a developed nation by 2047, marking 100 years of independence. This event brings together policymakers, industry leaders, scholars, and thought leaders to discuss the challenges, opportunities, and strategic directions for India's growth in the next two decades.

1. India's Global Standing: Trade and Cultural Influence

- Ethical sourcing and fair trade practices in global supply chains
- Sustainable packaging innovations and their economic feasibility
- The role of automation and AI in reducing waste across supply chains
- Integrating sustainability metrics in procurement and operations
- Collaborative approaches: Public-private partnerships for sustainable supply chains
- Corporate social responsibility (CSR) and employee engagement in sustainability
- Diversity, equity, and inclusion as drivers of sustainable business practices
- India's soft power: Promoting Indian culture, heritage, and art globally
- Strengthening India's position in international trade and sustainable exports
- Bilateral and multilateral partnerships for sustainable development
- Promoting traditional knowledge systems in global innovation ecosystems

2. Digital India: Catalysing Viksit Bharat through Technology

- Artificial Intelligence (AI) and IoT for sustainable business operations
- Blockchain for ESG compliance and transparent supply chains
- Smart cities and digital infrastructure for a green economy
- The role of e-commerce in sustainable consumer behavior
- Data-driven sustainability: Analytics and environmental impact assessment
- Cloud computing and energy-efficient digital transformation
- Green logistics and reducing the carbon footprint in transportation
- FinTech innovations in sustainable investment and financial inclusion
- Digital public infrastructure and inclusion in governance
- Empowering rural India through digital skilling and access
- Cybersecurity and trust in digital transactions
- Digital identity, payments, and platforms: The India Stack model
- Start-up ecosystem and innovation hubs driving digital progress
- 5G, edge computing, and the future of connectivity in sustainable development

3. Shared Prosperity: Towards Inclusive Development

- Waste-to-wealth: Business opportunities in recycling and upcycling
- Extended Producer Responsibility (EPR) and sustainable product lifecycle management
- The economic impact of transitioning to a circular business model
- Public policies and corporate strategies for accelerating the circular economy
- Innovation and digitalization in sustainable supply chain management
- Role of SMEs and start-ups in driving circular economy initiatives
- Green jobs and career opportunities in a sustainable economy
- Work-from-home and hybrid models: Impact on business sustainability
- Inclusive finance and micro-credit for grassroots entrepreneurship
- Rural-urban integration through sustainable infrastructure
- Women-led enterprises and gender inclusion in development
- Sustainable agriculture and food security innovations
- Affordable and accessible healthcare technologies

4. New India, Skilled India

- The role of green bonds and sustainable finance in India's economic transformation
- ESG investing: Trends, challenges, and future prospects
- Carbon markets and trading: Economic and environmental implications
- Role of central banks and regulatory bodies in promoting green finance
- Climate risk and its impact on financial markets
- The role of automation and AI in shaping the future of employment
- Upskilling and reskilling the workforce for sustainability-driven industries
- Integration of sustainability education in curriculum and vocational training
- Digital literacy for inclusive participation in the green economy
- Building leadership and entrepreneurship for green business models
- Skilling for emerging sectors: Renewable energy, EVs, and circular economy
- Creating a future-ready workforce for Industry 4.0
- Apprenticeship models and industry-academia collaborations

The listed themes and sub-themes are indicative and not exhaustive. We warmly invite research papers and contributions from other relevant areas as well. Interdisciplinary and cross-sectoral studies that align with the broader vision of India's development, innovation, sustainability, inclusive growth and contemporary issues are also welcome. **The selected papers will be given an opportunity to get published in a peer reviewed journal.**

Conference Objectives.....

The conference will be structured around four critical technical sessions.

Technical Session I: India's Global Standing: Trade and Cultural Influence will explore India's evolving role on the world stage, focusing on trade, diplomacy, and cultural exchange as pillars of its global influence. This session will discuss how India can strengthen its position as a global leader in international trade while preserving and promoting its rich cultural heritage.

Technical Session II: Digital India: Catalysing Viksit Bharat through Technology will delve into the role of technological innovations in accelerating India's progress. This session will address the impact of advancements in AI, digital infrastructure, and cybersecurity on governance, business, and public services, paving the way for a tech-enabled, inclusive future.

Technical Session III: Shared Prosperity: Towards Inclusive Development will focus on bridging socio-economic divide. Discussions will revolve around equitable access to resources, sustainable development goals, and policy frameworks that promote inclusive growth for all segments of society, ensuring no one is left behind in the journey towards Viksit Bharat.

Technical Session IV: New India, Skilled India will highlight the importance of skill development as a cornerstone of India's future workforce. This session will cover strategies to equip India's vast human capital with the necessary skills and education to thrive in a rapidly changing global economy.

Together, these discussions will outline a comprehensive strategic blueprint for achieving India's development aspirations by 2047.

Who Can Participate....

This International Conference will be of great interest to faculties, research scholars, experts, consultants, students and professionals working in business enterprises. Original research papers are invited from faculty members, company executives, policy practitioners and students for this conference.

Submission Guidelines....

Title page should include the title of the paper, Author(s) name, Affiliation and Contact Details.

- Length of the full paper should be between 3000-5000 words including 100-150 words abstract and references.
- The paper should follow 12-point Times New Roman Font. Headings can be in bold and numbered in Arabic.
- Subheadings should follow roman numbers.
- Margin 1 inch all four sides, line spacing 1.5.
- Follow APA style guide for in-text citations and references.

All submissions should be original unpublished work of author(s) and should be submitted in .doc/.docx format.

- Plagiarism should be less than 10 per cent and use of AI is strictly prohibited

Important Dates....

Full Research Paper/Abstract Submission start date	21st May, 2025
Last Date of Registration	09th Aug. 2025
Last Date of Paper Submission	09th Aug. 2025
Intimation of acceptance of Papers	15th Aug. 2025
Conference dates	22nd & 23rd Aug. 2025
