## ABOUT THE COLLEGE

Sri Aurobindo College (Evening) is a constituent college of the University of Delhi. It was established in 1984, and opened its doors to women students in 1988. The college is named after the nationalist reformer and philosopher Sri Aurobindo Ghosh. Established on the motto “Tamso Ma Jyotirgamaya”, translated as ‘Lead me from darkness to light’, the college has grown into a leading educational institution. The college is committed to fulfilling the vision of Sri Aurobindo Ghosh by imparting holistic education and knowledge to students for development of the body, mind, and soul based on traditional Indian values. We strive to instill the teaching/learning process with a unique blend of intellectual rigour and aesthetic and ethical engagement. The pedagogical aim is to develop a community of learners driven by excellence and self-actualisation, ready and willing to contribute to the community and society.

The college is a NAAC-accredited Grade B+ institution in its first cycle of accreditation. The college has also been placed amongst the top 150 Higher Education Institutions on performance by the National Institute Ranking Framework (NIRF) of the Ministry for Human Resource Development. With a good score in three broad parameters of teaching, learning, and resources, graduation outcomes, outreach and inclusivity, the college has maintained its position for the past three years. It has a present student strength of 2100 and offers courses in Humanities, Social Sciences and Commerce. The college has a digitized library, a career guidance and placement cell, grievance cell and a hygienic canteen.

The college has a central location in Block B, Shivalik Colony, Malviya Nagar. It is well connected by Delhi's public bus transport system and is a ten minutes' walk from the Malviya Nagar Metro station. The lush green campus is spread over 3 acres of land and is buzzing with student energy and creativity.

## ABOUT DEPARTMENT OF COMMERCE

The Department of Commerce at Sri Aurobindo College (Evening) is home to a diverse team of experts and academicians dedicated to keeping students informed about the latest advancements in Commerce and Management. Classroom learning is enriched with experiential methods and industry exposure, ensuring a holistic educational experience. The Department regularly hosts International Conferences, Seminars, and Workshops to enhance students' organizational and networking skills. Additionally, the faculty actively engages in research and plays a proactive role in curriculum development, ensuring it remains relevant and up to date.

With a strong emphasis on practical learning, the department fosters critical thinking, innovation, and leadership qualities among students. It continuously strives to bridge the gap between academia and industry, preparing students to excel in a dynamic business environment.

## ABOUT IQAC

According to the National Assessment and Accreditation Council (NAAC) guidelines, all accredited institutions must establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is an ongoing process, the IQAC at Sri Aurobindo College (Evening) is committed to achieving and maintaining high academic standards. Its primary role is to foster a structured, consistent, and proactive approach to improving the College's overall performance by overseeing and supporting academic, co-curricular, and extracurricular activities. The IQAC ensures this through a systematic feedback mechanism and continuously strives to achieve new objectives and milestones.

## ABOUT CONFERENCE

Sri Aurobindo College (Evening) takes immense pleasure in announcing the International Conference on “Vision 2047: Transforming India's Economy through Sustainable Business Practices”, aimed at exploring innovative strategies for fostering sustainable economic growth. As India move towards its centennial year of independence, this conference will bring together scholars, policymakers, industry leaders, and entrepreneurs to discuss the role of green finance, circular economy models, digital transformation, renewable energy adoption, and corporate sustainability strategies in shaping the nation's future economy. Aligned with Viksit Bharat@2047, the event will emphasize the integration of sustainability with business practices, education, and technology to ensure long-term economic resilience, inclusive growth, and global competitiveness, fostering a self-reliant and ecologically balanced India.

# CONFERENCE THEMES

The theme of the International Conference on “VISION 2047 : Transforming INDIA'S ECONOMY through Sustainable Business Practices” focuses on the intersection of sustainability, technology and economic transformation to shape India's future by 2047. The conference will explore innovative strategies for achieving long term resilience through Sustainable Business Models, Financial Frameworks and Technological Advancements.

## 1. Green Finance and Investment Strategies for a Sustainable Future

- ESG investing: Trends, Challenges, and Future prospects
- Carbon markets and trading: Economic and environmental implications
- Role of central banks and regulatory bodies in promoting green finance
- FinTech innovations in sustainable investment and financial inclusion
- Climate risk and its impact on financial markets
- The role of green bonds and sustainable finance in India's economic transformation

## 2. Circular Economy and Business Model Innovation for 2047

- Waste-to-Wealth: Business opportunities in recycling and upcycling
- Extended Producer Responsibility (EPR) and sustainable product lifecycle management
- The economic impact of transitioning to a circular business model
- Public policies and corporate strategies for accelerating the circular economy
- Innovation and digitalization in sustainable supply chain management
- Role of SMEs and start-ups in driving circular economy initiatives

## 3. Digital Transformation & Technology for Sustainable Growth

- Artificial Intelligence (AI) and IoT for sustainable business operations
- Blockchain for ESG compliance and transparent supply chains
- Smart cities and digital infrastructure for a green economy
- The role of e-commerce in sustainable consumer behaviour
- Data-driven sustainability: Analytics and environmental impact assessment
- Cloud computing and energy-efficient digital transformation

## 4. Sustainable Supply Chain Management: Trends & Challenges

- Green logistics and reducing the carbon footprint in transportation
- Ethical sourcing and fair trade practices in global supply chains
- Sustainable packaging innovations and their economic feasibility
- The role of automation and AI in reducing waste across supply chains
- Integrating sustainability metrics in procurement and operations
- Collaborative approaches: Public-private partnerships for sustainable supply chains

## 5. The Future of Work: Human Capital Development for a Sustainable Economy

- Upskilling and reskilling the workforce for sustainability-driven industries
- Green jobs and career opportunities in a sustainable economy
- Work-from-home and hybrid models: Impact on business sustainability
- Corporate social responsibility (CSR) and employee engagement in sustainability
- Diversity, equity, and inclusion as drivers of sustainable business practices
- The role of automation and AI in shaping the future of employment

This conference will provide a dynamic platform for policymakers, researchers, entrepreneurs, and industry leaders to exchange ideas and collaborate on strategies to drive India's economic transformation through sustainable business practices, ensuring long-term prosperity and global leadership by 2047.

## CONFERENCE OBJECTIVES

The International Conference on “Vision 2047: Transforming India’s Economy through Sustainable Business Practices” aims to address the intersection of sustainability, technology, and business innovation as key drivers of India's economic transformation by 2047. The primary objectives of the conference are to:

- **Explore Green Finance and Investment Strategies to promote sustainable economic growth through mechanisms like ESG investing, carbon trading, and FinTech innovations.**
- **Encourage the transition to a circular economy by fostering discussions on waste-to-wealth models, sustainable supply chains, and extended producer responsibility (EPR) to reduce environmental impact.**
- **Leverage digital transformation for sustainability, emphasizing the role of AI, IoT, blockchain, and data analytics in shaping sustainable business operations and smart infrastructure.**
- **Promote sustainable supply chain management, addressing challenges in green logistics, ethical sourcing, automation, and packaging innovations to enhance business sustainability.**
- **Develop Human Capital for a Green Economy by focusing on upskilling, green job creation, corporate social responsibility (CSR), and diversity, equity, and inclusion (DEI) as essential drivers of sustainable business practices.**
- **Foster research and policy dialogues to bridge the gap between industry, academia, and government, ensuring a policy-driven approach to sustainable economic transformation.**

This conference aims to provide a platform for leaders, policymakers, researchers, and industry professionals to collaborate on innovative solutions that align India’s economic progress with environmental and social sustainability, ultimately driving the vision of Viksit Bharat@2047. Publication Opportunity is available for the selected papers only.

## WHO CAN PARTICIPATE

This International Conference will be of great interest to faculties, research scholars, experts, consultants, students and professionals working in business enterprises. Original research papers are invited from faculty members, company executives, policy practitioners and students for this conference.

## SUBMISSION GUIDELINES

- Title page should include the title of the paper, Author(s) name, Affiliation and Contact Details.
- Length of the full paper should be between 3000-5000 words including 100-150 words abstract and references.
- The paper should follow 12-point Times New Roman Font. Headings can be in bold and numbered in Arabic. Subheadings should follow roman numbers.
- Margin 1 inch all four sides, line spacing 1.5.
- Follow APA style guide for in-text citations and references.
- All submissions should be original unpublished work of author(s) and should be submitted in .doc/.docx format.
- Plagiarism should be less than 10 per cent and use of AI is strictly prohibited.

## IMPORTANT DATES

Full Research Paper/Abstract Submission start date	10th March 2025
Submission deadline	15th April 2025
Intimation of acceptance of papers	15th April 2025
Last date of registration	22nd April 2025
Conference dates	24th and 25th April 2025
