## **HONORS AND AWARDS**

### **UGC-National Eligibility Test (NET)**

**2016**

Award granted by the University Grants Commission (UGC) based on nationwide entrance exam to determine eligibility for college and university level lectureship

### **Junior Research Fellowship (JRF)**

**2018**

Five year fully funded scholarship provided by UGC for pursuing research in MPhil/PhD. Top candidates selected on the basis of nationwide entrance exam

## **RESEARCH EXPERIENCE**

Two years of research experience in Master of Philosophy (M.Phil.) course. Dissertation work was on elementary level Mathematics Textbook analysis using quantitative and quantitative content analysis.

**2016 - 2018**

One year research experience while doing Master's Thesis aimed at providing psychological intervention to children with executive dysfunction to improve Mathematics learning. Psychological assessment of children's mathematical skills through pre test was done. Psychological intervention provided to selected students and a post test was conducted. Significant difference between pre test and post scores, confirming the hypothesis of the study.

**2015-2016**
