

## WALL-E-DASTAAN: CELEBRATING 10 YEARS OF THE COMMERCE SOCIETY

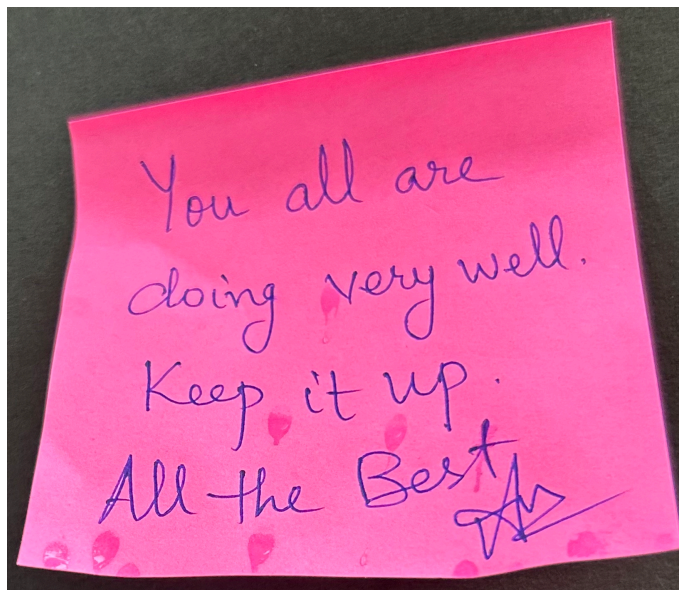

The Principal, Prof. Arun Chaudhary and Teacher-in-Charge, Commerce Department, Dr. Archana Agarwal with the Core Committee and Members of the Commerce Society

The Commerce Society of the Department of Commerce, Sri Aurobindo College (Evening), celebrated its 10th anniversary on September 5th, 2024, with a special event titled 'Wall-e-Dastaan.' The exhibition showcased the Society's major milestones and achievements over the past decade. Established in 2014 under the leadership of Dr. Archana Agarwal, the then Teacher-in-Charge, it was fitting that this milestone was once again celebrated under her guidance as the current Teacher-in-Charge of the Department of Commerce.

The participation of the College Principal, Prof. Arun Chaudhary, added to the enthusiasm of the event. He commended the Society's valuable work and encouraged members to continue their active involvement for the benefit of students. His message, prominently displayed on the 'Note Nest'—a section of the Wall dedicated to reflections—was joined by notes from esteemed faculty members and students. Together, these notes created a tapestry of shared memories and accomplishments, celebrating the legacy of the Commerce Society.

The Principal, Prof. Arun Chaudhary , wishing the Commerce Society and his note for the Note-Nest

The event featured a range of engaging activities designed to both entertain and stimulate intellectual curiosity. Games like 'Guess What' and 'Dicey Dares' saw enthusiastic participation from students of the Commerce Department, who enjoyed the lively, fun-filled atmosphere alongside their peers.

The 'Wall-e-Dastaan' exhibition also highlighted the three key verticals of the Commerce Society: Marketing, Digital, and Content. Each vertical's objectives and accomplishments were showcased through brief write-ups, offering insights into their contributions. Additionally, the display chronicled the 10-year journey of the Commerce Society, marking significant milestones achieved since its inception in 2014.

Wall-e-Dastaan showcasing milestones, achievements, and highlights of The Commerce Society

The Commerce Society celebrated Teachers Day together with the Principal and the faculty of the Department of Commerce. Meraki Society, the music society of the college, collaborated for a lively jamming session to bring a cheer of festivity to the event. The event was filled with music, fun, laughter, and light refreshments, making it an enjoyable and memorable occasion for all.

Glimpses of the event
