Independence Day **(15th August, 2024)**

Team SAMARPAN, The NSS unit of Sri Aurobindo College (Eve.) organized the Independence Day celebration in the college premises. On India's 78th Independence Day, the campus celebrated with patriotic fervor, adorned with flags and the decoration. The event commenced at sharp 11 AM, paying tribute to the freedom fighters like Gandhi, Bose and Bhagat Singh, as well as the philosopher Sri Aurobindo Ghosh on whose memory our college has been established.

NSS volunteers, under the guidance of our Principal Prof. Arun Chaudhary, participated enthusiastically. The national flag was hoisted, followed by the national anthem and the Panch Pran pledge by the President

It is a collective pledge to uphold five core values :

- Adherence to the oneness and wholeness of the country.
- Faith in democratic ideals.
- Compliance with justice and equality.
- As commitment to the development of oneself as well as one's nation.
- Recognition of the indigenous culture of the country.

Principal Prof. Arun and teachers delivered speeches reflecting India's independence journey, emphasizing its significance. Prof. Arun's presence as chief guest highlighted the event's importance.

The occasion fostered unity and national pride among participants, contributing to the campaign's mission of preserving memories and celebrating India's Freedom Struggle.

The success of this event owes a huge debt to our Principal Prof. Arun Chaudhary, Programme Officer Mr. Rajesh Kumar Nigah and our dedicated volunteers.
